Getting around by public transport

All over NSW, modes and services have come together as an integrated system to help you get around more easily by public transport.

Sydney Trains
The train services that get you around the city and suburbs of Sydney.

NSW TrainLink
Intercity and Regional services that take you to the Blue Mountains, Central Coast, Newcastle, the Southern Highlands, the South Coast and beyond.

Buses
Hundreds of bus routes in cities, suburbs and beyond connect you with shopping centres, schools, hospitals and more.

Ferries
The Sydney and Newcastle harbours and waterways are navigated by ferry services.

Light Rail
From Central Station to Sydney's Inner West, including Paddy's Markets, Darling Harbour, The Star and the Sydney Fish Market.
